**U.S. Commodity Futures Trading Commission, Plaintiff**

v.

**Barki, LLC; Bruce Kramer, an individual,  
Defendants**

and

**Rhonda Kramer, an individual  
Forest Glen Farm, LLC  
Relief Defendants.**

**Case No. 3:09-CV-106 (GCM)**

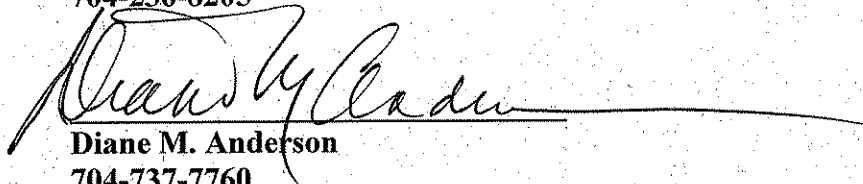

**Response to Receiver's Motion filed 6/23/2009**

**We are investors in Barki, LLC and I am in favor of the Receiver's motion for approved claims verification procedures, claims bar date, and proposed claims distribution method, and for authority to make interim distribution to investors.**

**As investors who lost our entire investment, we believe that the Receiver's recommendation to use the "rising tide" method of distribution is the only method that is truly fair and equitable to all investors.**
