U. S. Commodity Trading Commission, Plaintiff

v.

Barki, LLC; Bruce Kramer, an individual
Defendants

and

Ronda Kramer, an individual
Forest Glen Farm, LLC
Relief Defendants

Case No. 3:09-CV-106 (GCM)

Response to Receiver's Motion filed 6-23-09

We are investors in Barki, LLC and we are in favor of the Receiver's motion for approved claims verification procedures, claims bar date, and proposed

claims distribution method, and for authority to make interim distribution to investors.

As investors who lost almost all of our investment, we believe that the Receiver's recommendation to use the "rising tide" method of distribution is the only method that is truly fair to all investors
